CIB W117 Performance Measurement in Construction

Subject: IRC 2021 Alpha Inspections

Joseph Kashiwagi inspected IRC's roofs [jobs] on June 1 - 4, 2021 for their Alpha Certification. A total of 375 roofs were surveyed with a total square footage of 21 million. Among the surveyed roofs, 50 were inspected.

Below are the significant results from 2021 IRC Alpha Inspection:

- 375 roofs were surveyed (Total of 21M SF) including 105 clients.
- 50 roofs were inspected (Total of 2M SF) including 18 clients.
- 100% of roofs have reported to have no current leaks.
- 100% of roofs have reported to have a satisfied client that would hire IRC again.
- 0.03% of the total inspected roof area was blistered (665 SF of total blisters).

Please let me know if you have any questions. You can contact me at 480-313-4488

Thank you.
